The Brera room, located on the first floor of the hotel, has a square shape of about 30 square meters, and is a portion of the modular Velasca + Brera room. Totally with natural light, thanks to the large and soundproof windows, it becomes a pleasant location in which all small meetings take on privacy and elegance. The room is equipped with a one mobile screen with video projector with VGA connection, sound system with ice cream or fixed microphones and lights. WiFi is free for all participants throughout the hall. Dual entrances and small foyer.
